

Express.co.uk Star Wars 8 news: Benicio del Toro is playing the SON of which ... Express.co.uk We know so far that del Toro's character is known as "The Man in Black" according to sources at the site Making Star Wars. This is all suitably mysterious and intriguing but not exactly original. Apart from the obvious fact that Westworld already has a ... 'Star Wars: The Last Jedi' spoilers: Shadow of Palpatine; Another Fett International Business Times AU los 2 artículos informativos »
